President, Tarlac Agricultural University

Dear President:

Mabuhay!

I am writing to formally convey the intent of *The Golden Harvest*, the official student publication of Tarlac Agricultural University (TAU), to provide comprehensive media coverage for the TAU delegates participating in the **49th State Colleges and Universities Athletic Association (SCUAA)**.

As part of this undertaking, the publication will deploy **five (5) campus journalists** to cover the various events throughout the duration of SCUAA. These journalists will be accompanied by the Student Publication Advisers and a designated Responder, who will ensure proper supervision and provide necessary support during the entire activity.

In line with this, we respectfully request that the participants listed below be excused from their regular classes and academic activities for the duration of SCUAA. Furthermore, we kindly ask that they be granted adequate time after the event to complete any academic requirements they may have missed. This consideration will enable them to fulfill their responsibilities both as student journalists and as members of the academic community without compromising their academic standing.

We appreciate your understanding and support in this matter, as it will greatly contribute to the success of our media coverage and uphold the university's commitment to promoting student engagement and excellence.

Lastly, we would like to request a service vehicle that will transport us to...

We respectfully seek your acknowledgment and support for our participation in this significant academic and journalistic undertaking.

Sincerely,

LESLEY S. LAYRON
Editor-in-Chief, The Golden Harvest
