School Director:

**Mabuhay!** I am writing on behalf of The Golden Harvest, the official tertiary student publication of Tarlac Agricultural University, to propose an exciting and educational opportunity for the students of Glory Dei Montessori College. We are offering an outreach program designed to teach the fundamentals of journalism, specifically photojournalism, layouting, editorial cartooning, sports writing, and news writing. This program will take place on March 31, 2025, from 8:00 AM to 5:00 PM at the school grounds.

We believe that this program will be an opportunity for the students to foster in education and develop skills in the fields of media, communication, and journalism, and perhaps even inspire the next generation of journalists.

In line with this, I am requesting for your consideration in providing us projectors, white screen, microphones, speakers, and accommodations such as the venue, foods, and drinks.

We are excited about the potential impact this program could have on your students and are hopeful that you will support this educational endeavor. We look forward to your positive consideration.

Respectfully yours,

**JAYRON MARK R. DELA CRUZ**
